REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Patentees hereby request that the Patent Term Adjustment for the above-identified U.S. patent be reconsidered. It is Patentees' belief that the Patent Term Adjustment on the issued patent (set at 0 days as stated on the Patent cover sheet) is incorrect and that the Patent Term Adjustment for which the above-identified patent is entitled is 376 days. This request is proper in that it is submitted within sixty (60) days of the patent issue date.

Under 37 CFR § 1.702, the grounds for reconsideration of patent term adjustment include examination delays under the Patent Term Guarantee Act of 1999. The United States Patent and Trademark Office failed to mail its first action (notification under 35 U.S.C. 132) within fourteen months after the date in which the application was filed. The Applicant does not dispute the pre-allowance calculations.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.
